

All School Class—A Rare Opportunity

Depending on which classes you normally attend, there may be 10-25 people you practice TKD with on a regular basis, but there are hundreds more that share the same designation of Missoula Taekwondo Center student even though your paths don't cross regularly. Once a year we bring everyone together for a class in the park, so we all can connect with the incredibly diverse student body in one space at one time.

This year we will gather on Wednesday, June 15th at 6:00pm in Jefferson Park (next to Jefferson School, 2 blocks from MTC). We will take a group picture to memorialize the group as it is now, so please plan to join us to be part of the class and picture. Mr. Tim Graham, professional photographer and TKD husband and parent, will be taking the group photo that will be available as an 8X10 for \$15 with all the profits benefiting the MTC Booster Club. Please obtain your order form from the front desk or at the All School Class and submit it by June 17th.

It is such a pleasure to see all of our students gathered in one place and note the number of peers we all have as well as mentors to look up to and less experienced practitioners that we are setting an example for.

During this time we will also be awarding letters to our High School students who completed all requirements to be Varsity Letterists in Taekwondo in Missoula County Public Schools in the 2015-16 school year. Please join us in recognizing these incredible student athletes.

See you at Jefferson June 15th at 6PM!
