

All School Class and Awards Ceremony

Once per year we all gather in one place at one time for a fun and energizing class called, appropriately, "The All School Class." All MTC students are invited to Fort Missoula Regional Park on the synthetic fields on June 5th at 5:30PM

This event is a relaxed and easy way to feel connected to the entire Taekwondo Family at MTC. Something magical happens when we synchronize our focus, our kihaps, and our movements.

The class will run 1 hour followed by a group picture and awards for Taekwondo Varsity Letterists, with the MTC Booster Club hosting a dessert reception following.

Please wear full dobok, and bring shoes you could kick in. You may bring a water bottle, but drinks other than water are not allowed.

The fields are easy to find by traveling West on South Avenue. The synthetic field is highly visible and there is tons of parking. We are tremendously excited to share this time with all of our students. See you there!

Dinner and a Show Moving to the Fall

Long time MTC family members may have noticed Dinner and a Show did not happen this spring. The weekends were so full it was too hard to find a Friday or Saturday to make merry together.

We will be holding this annual gathering as a welcome back type event in early fall. Stay tuned for the save the date, and be sure to brush off your tremendous talents and ready your recipes for tasty treats.
