MTC Tournament

1 The weekend of October 20th we will play host to martial artists from around the state and region. Last year, topping out at over 200 competitors, we hosted our 9th Missoula Taekwondo Championships. This year promises to be even greater with continued support from our region and interest coming from new schools in Utah and Idaho.

This event has been an incredible experience in the past because so many of you give of your time and efforts on tournament day and leading up to the event.

In early October look for registrations, [paper](#) and [online](#), and volunteer sign up sheets.

The Missoula Taekwondo Championships is only a success because of the group effort put forth by our TKD Family.
